

Mudd ke aaun de laare madde,
Puchh saki main sajna nu,
Saade pind de gawah ne taare,
Ishq karaan main sajna nu,

Todd ke dil jo lang jande ne,
Kyun oh chete aunde ne,
Jodan waale ghat hi milde,
Yaar de dukh sataunde ne,

Kon samjhawe dil diyan gallan,
Tere bajon oye,
Akh khuli te sajna saare,
Sapne tutt jande,

Suraj diyan kirna jadona,
Jaag jandiyan ne,
Oas vehle aasman de,
Taare muk jande,

Aithe ishq zaroori ae,

Mudd ke aaun de laare madde,

Saade pind de gawah ne taare,
Ishq karaan main sajna nu,

Todd ke dil jo lang jande ne,
Kyun oh chete aunde ne,
Jodan waale ghat hi milde,
Yaar de dukh sataunde ne,

Sahan de jo nehde hunde,
Apne lagde ne,
Mere nain tan tere naina nu,
Sadaa labde ne

Sahan de jo nehde hunde,
Apne lagde ne,
Mere nain tan tere naina nu,
Sadaa labde ne

Aithe ki majboori ae,
Eh jaan le sajna tu,
Tere saath zaroori ae,
Pehchan le sajna tu,

Mudd ke aaun de laare madde,
Puchh saki main sajna nu,
Saade pind de gawah ne taare,
Ishq karaan main sajna nu,

Todd ke dil jo lang jande ne,
Kyun oh chete aunde ne,
Jodan waale ghat hi milde,
Yaar de dukh sataunde ne,

Rang tere wich rangi zindagi..,
Wich gamma de langi zindagi..,
Hunn sahara de koi sajna..,
Oye lagdi naiyo changi zindagi..,

Dil saath hi mangda ae,
Eh jaan le sajna tu,
Meri mohabbat nu,
Pehchan le sajna tu,

Mudd ke aaun de laare madde,
Puchh saki main sajna nu,
Saade pind de gawah ne taare,
Ishq karaan main sajna nu,

Todd ke dil jo lang jande ne,
Kyun oh chete aunde ne,
Jodan waale ghat hi milde,

Yaar de dukh sataunde ne
Yaar de dukh sataunde ne.
