---

Gur sidhu music!

Oh tere piche piche piche phirdi  
Haaye phirdiyan bahle chirr di  
Jis din mere naal bole na  
Ho meri ankh saari raat girhdi

Ek bebe bapu dooja tu ve  
Haan ek bebe bapu dooja tu ve  
Haan bahute rakhe na sahare jatta ve

Nikle je laare jatta ve  
Pher painge khilare jatta ve

Koyi lai ju tainu kivein jeet ke  
Assi dil tethon haare jatta ve

Nikle je laare jatta ve

Dil kare tere saare vairi thok da  
Jinna piche rakhda dunali chakki ve  
Tere piche tere piche modan ristey  
Kardi age meri touch 25 ve

Dil kare tere saare vairi thok da  
Jinna piche rakhda dunali chakki ve  
Tere piche tere piche modan ristey  
Kardi age meri touch 25 ve

Ohdon wadh pyar kardi  
Haan ohdo wadh pyar kardi  
Oh jinne ambaran ch taare jatta ve
