

Saanu tere meethe meethe laarey maar gaye,
Luk-luk kitte jo ishare maar gaye,
Utton maardi ae meethi-meethi sang sohniye,
Mardi ae meethi-meethi sang sohniye,

Mittran di tere utte akh tik gayi,
Tu saadi pehli ein te aakhri pasand soniye,

Saanu tere meethe meethe laare maar gaye,

Neele-neelee nain te sunehri tere baal ni,
Rabb tainu husan vi ditta ae kamal ni,
Neele-neelee nain te sunehri tere baal ni,
Rabb tainu husan vi ditta ae kamal ni,

Utton sohne te suhaga gora rang sohniye,

Sohne te suhaga gora rang sohniye,

Mittran di tere utte akh tik gayi,
Tu saadi pehli ein te aakhri pasand soniye,

Saanu tere meethe meethe laarey maar gaye,

Since i see you in my dreams,
I feel like i'm your queen,
I wanna fly like an angel,
Its possible when you're on my side,

Pairi na punjeban na hi kanna vich baliyan,
Dil kadd jaan tere bullan diyan lalliyan,
Pairi na punjeban na hi kanna vich baliyan,
Dil kadd jaan tere bullan diyan lalliyan,

Saadgi ae mithi gulkand soniye,
Saadgi ae mithi gulkand soniye,

Mittran di tere utte akh tik gayi,
Tu saadi pehli ein te aakhri pasand soniye,

Saanu tere meethe meethe laarey maar gaye,
Luk-luk kitte jo ishare maar gaye.
