Cutie, naughty
Lagta hai ayi yahan par har prakar hi ladkiyaan hai.

Uff ek se ek jaise
Different different ke iraaade
Na kisi ke nek
Na meri aaj lagegi brake.

Ek haseena dekho kamar hilaati
Ek haseena mujhse nazar churaati hai ek
Haseena dekho daaru peeke tul ek
Haseena mujhe kone mein bulaati hai
Kone mein lejaati hai
Naach ke dikhaati hai
Kaise main bataun kaise up & down chahti hai.

Na sharmaati hai
Na ghabraati hai
Is poore gaane mein ye aag lagaati hai.
