

Laila laila laila laila laila laila
Laila laila laila laila laila laila
Mast mast tufano mein
Mast mast ek kashti hai
Mast mast us kashti
Mein mastani laila
Laila laila laila laila laila laila
Laila laila laila laila laila laila

Laila ki aankhein moti
Laila ka jism khajana
Hasil karna chaahon
Toh sailaabon se takraana
Aa ha aa ha aa ha ha ha ha
Laila ki aankhein moti
Laila ka jism khajana
Hasil karna chaahon
Toh sailaabon se takraana
Aashiq jo darr jaayega
Dubega marr jaayega
Aashiq jo darr jaayega
Dubega marr jaayega
Tufaan hai bas do pal
Ka gujarega tal jaayega
Phir toh hai bas teri
Baahein baahon mein laila
Laila laila laila laila laila laila
Laila laila laila laila laila laila

Dilwaalo hosh sambhalo
Kar degi sharabi laila
Chhodo yeh niti iraade
Niyat ki kharabi laila
Aa ha aa ha aa ha ha ha ha
Dilwaalon hosh sambhaalo
Kar degi sharaabi laila
Chhodo yeh niti iraade
Niyat ki kharaabi laila
Marham hai dard-e-dil ka
Toh kabhi jeher hai laila

Marham hai dard-e-dil ka
Toh kabhi jeher hai laila
Kya jaane khuda ki rehmat
Ya usaka kehar hai laila
Dum se jiske zindagi
Woh kaatil hai laila

Laila laila laila laila laila laila laila
Mast mast tufaano mein
Mast mast ek kashti hai
Mast mast us kashti
Mein mastaani laila
Laila laila laila laila laila laila
Laila laila laila laila laila laila.
