

Khushanuma, aawara sa, besabab, bechara sa lamha tha  
Jindagee ke aasman me tuta sa woh tara tha, tanha tha  
Keh rahe hai jarre dekho, rasto se gujra tha yaha  
Dhundate hai usako lekin gayab hai paio ke nishan  
Lamha yeh jayega kaha, lamha yeh jayega kaha  
Lamha kaha yeh kho gaya, ik pal me tanha ho gaya

Aaye jo mausam naye, manjar badal jayenge  
Shakho se patte gire, girake kidhar jayenge  
Keh rahe hai jarre dekho, rasto se gujra tha yaha  
Dhundate hai usako lekin gayab hai paio ke nishan  
Lamha yeh jayega kaha, lamha yeh jayega kaha  
Lamha kaha yeh kho gaya, ik pal me tanha ho gaya

Lamha yeh jayega kaha, lamha yeh jayega kaha  
Lamha kaha yeh kho gaya, ik pal me tanha ho gaya

Shabnam kaa katra hai yeh, shole bujha jayega  
Kar jayega aankhe nam yado me bas jayega  
Barisho kee bunde barase, badalo ke dil halke huye  
Jane pehchane chehro ke aks bhee kyun dhundle huye  
Lamha yeh jayega kaha, lamha yeh jayega kaha  
Tanha yeh jayega kaha, tanha yeh jayega kaha  
Lamha yeh jayega kaha, lamha yeh jayega kaha  
Tanha yeh jayega kaha, tanha yeh jayega kaha  
Lamha yeh jayega kaha, lamha yeh jayega kaha  
Tanha yeh jayega kaha, tanha yeh jayega kaha.
