

Le chal le chal mere jivan sathi
Le chal mujhe us duniya me
Pyar hi pyar hai jaha hum tum hum
Tum janmo ke sathi hum tum ho
Jis duniya me pyar hi pyar
Hai waha le chal

Jabse najar me aap base hai
Jabse najar me aap base hai
Masti si chahi hai aankho me
Chahi rahe ye masti
Bas jaye dil ki basti
Mahki rahe wadiya le chal le chal
Mere jivan sathi le chal mujhe
Us dunia me pyar hi pyar
Hai jaha le chal

Preet ka bandhan bandh ke tumne
Preet ka bandhan bandh ke tumne
Preet pe hi upkar kiya hai
Ab ye bandha na tute yug yug ye
Sath na chute chalta rahe yu karwa
Le chal le chal mere jivan sathi
Le chal mujhe us dunia me
Pyar hi pyar hai jaha hum tum hum
Tum janmo ke sathi hum tum ho jis
Duniya me pyar hi pyar
