

Le chale doliyo me  
Tumhe gar irada karo  
Ungliyo me pehan lo  
Yeh rishta aur wada karo  
Huwa huwa huwa  
Huwa huwa huwa  
Huwa huwa huwa  
Huwa huwa huwa  
Le chale doliyo me  
Tumhe gar irada karo  
Ungliyo me pehan lo yeh  
Rishta aur wada karo  
Han huwa huwa huwa  
Huwa huwa huwa  
Huwa huwa huwa  
Huwa huwa huwa

Teri aankho se chhanti  
Huyi iss chamak ki kasam  
Yeh samandar jo namkin hai  
Iss namak ki kasam  
Chauk se chand pe likh  
Diya hai nam hamne tera  
Oh reva reva reva  
Reva reva reva  
Le chale doliyo me  
Tumhe gar irada karo  
Ungliyo me pehen lo yeh  
Rishta aur wada karo  
Han huwa huwa huwa  
Huwa huwa huwa  
Huwa huwa huwa  
Huwa huwa huwa

Dil kisipe toh aana hi  
Tha dil kaa kya kijiye  
Iss padosi ko jana hi  
Tha abb vida kijiye  
Tum kaho toh tumhe  
Saunp de abb toh wada karo
