

Le duniya le duniya
Teri chhod chale
Hum chhod chale
Dil haatho se apna
Tod chale tod chale
Le duniya teri chhod chale
Hum chhod chale

Tasveer pe teri karke nazar
Tasveer pe teri karke nazar
Do aansoo bahake
Kadmo par kadmo par
Hum apni nishaani
Chhod chale chhod chale
Le duniya teri chhod
Chale hum chhod chale

Hai dil ki duaan tu shaad rahe
Hai dil ki duaan tu shaad rahe
Har gairon se ye aabaad
Rahe aabaad rahe
Gharwale to ghar ko
Chhod chale chhod chale
Le duniya le duniya
Teri chhod chale
Hum chhod chale

Ek tufaan gham ka saath mein hai
Ek tufaan gham ka saath mein hai
Ek teri nishaani haath
Mein hai haath mein hai
Hum leke bahaare
Chhod chale chhod chale
Le duniya le duniya
Teri chhod chale
Hum chhod chale
Dil haatho se apna
