

Ledhamma Nyayam Song Lyrics

Ledhamma nyayam
Radhamma saayam
Gundello gaayam
Aashale maayam

Thufanu le thufanu le meelo
Shokamu le shokamu le lolo
Brathakalante prathi roju
Adho maha yaathane
Gelupe leka gathi leka
Chese poraatame adho shodhanooo
Mano vedhanooo thudhi paatamoo
Maranam pai premooo

Desham enthentho etthe edigindhaa
Thaane paathalam paalayyindhaaa
Jenda undundi range maarchindha
Gundaa thandaala goodayyindhaa

Ninge kungenule nelake vangenule
Aa panch bhoothalave
Ee pancha pranaalule
Inthe inthe inthe
Mugisi pothayanthe
Nuvu nenu anthe
Bommalla chusthunte

Brathakalante prathi roju
Adho maha yaathane
Gelupe leka gathi leka
Chese poraatame adho shodhanooo
