

Leher Lyrics

Leher leher
Behti ho ke saahil se bekhabar
Theher theher
Kar lamhai kaise bante yeh pehar
Milte nahi hum agar
Milte nahi hum agar

Geela hua jo tera badan
Begaana jaane kyun mera mann
Yoon toh yeh nazdeekiyan dono ki be-wajah bhi hai
Inmein par jitna takalluf hai utna maza bhi hai

Ho hoti bhala kaise pheeke
Savere ki namkeen si dopahar?
Ho milta humein kaise
Dil ke veerane mein soya hua ek shehar?

Leher leher
Behti ho ke saahil se bekhabar
Leher leher
Kar lamhai kaise bante yeh pehar
Milte nahi hum agar
Milte nahi hum agar

Mujhe tujh mein tujhe mujh mein
Tanha sa mila humsafar
Aa chupa loon tujhe mujh mein
Mile phir na mile hum agar

Tera-tera-tera-tera main
Tera-tera-tera-tera main
Tera-tera-tera-tera main
Ho

Ho chahe toote sabhi kasma
Par na ho adhoora koi aashiqona maahi

Tera-tera-tera main ho

Milte nahi hum agar
Milte nahi hum agar
Milte nahi hum agar
Milte nahi hum agar
