

Lelo lelo phooldani lelo
Lelo lelo lelo lelo phooldani lelo
Lekar phul naye albele, aayi hu mai albeli
Ye hai gulab, ye hai chameli
Lelo lelo lelo lelo, ye rat suhani
Lelo lelo lelo lelo, lo phooldani lelo
Lekar phul murado wale aayi, hu pas tumhare
Pyar na inme rang bhara hai, bhul na jana pyare
Lelo lelo lelo lelo, lo phooldani lelo

Aa babu meri galiya, hai khusbu dar bana lo
Inko gale ka har, mai dedu do paise me char
O babu aji hamse karo ikrar, hamara
Tumhe ye mal milega udhar
Lelo lelo lelo lelo, rangin jawani lelo
Lelo lelo lelo lelo, lo phooldani lelo

Phul hai tum dono ke, ache ache pyare pyare
Aji mere lelo, na na na
Aji mere dekho, pahle dhiraj dharlo
Maul kiske lu mere, aji chod kiske du iske

Aji tumhi faisla kar lo, tumhi faisla kar lo
Mere phul hai pyare pyare, very good
Mere phul hai chand sitare, beautiful
Mai layi kashmir se, mai lal bag ke
Badi aayi phoolo wali, chup chup ri dungi gali
Are kya karti ho, are marungi ek laffa
Teri ban jayegi lifafa, ari kyu ladti ho
Tera bheja fod dungi, teri nak tod dungi.
