Bharatlyrics.com
Crop top black tera, silver back tera,
Ladkon ko maare baby razor swag tera,

Har adaa teri lage mujhe killer,
Aankhon mein teri kitna hai liquor,
Baby tera lipper, tiny si nikker,
Dekh mujhe bhi baby maarun tujhe dipper,

Kar diya, tune magic yeh kaisa,
Samjha na haadsa, hua tragic yeh kaisa,
Haan haan haan,
Apne dil ka baby accelerator,
Tu thoda khol de, khol de
Haan khol de, haan khol de

Let it go, let it go, let it go..
Let it go, let it go, let it go girl..
Let it go, let it go, let it go..
Let it go, let it go, let it go girl..

Baby teri chaal,
Laati hai bhuchaal,
Lagti hai tip-top,
Lagti bawaal,

Kaise banaya tujhe,
Karta hoon wonder,
Do minton mein dil zero to hundered,

Karti hai do,
Tere jaisa koyi nahi,
Dhondi saari earth,
Ke tera hi hai worth,
Baaki hain vyarth,

Apne bhi charche,
Kam nahi famous,
Banda pura swaggy,

By birth,

Pa machhpapar,
In the yearback kudrappa,
Ma ma paar takkunpaar,
Yadla sirum swagpaar,

Machapaar gettapaar,
Ribhaktum rottapaar,
Rota cool da,
Endvazool da,

Enlokka la kik la sik da,
Ehne itter bit la litt da,
Anjaade adnaade,
Pangaade vegampo,

Hashtag empotate,
Get them done,
Namma sutre,

Channiya, wunniya,
Purkhi witt urr sutte,

Let it go, let it go, let it go..
Let it go, let it go, let it go girl..
Let it go, let it go, let it go..
Let it go, let it go, let it go girl..

It's your boy badshah..
