

Rang sanwla te tikkhe tere nain

Kaali zulfa ne lutt leya chain,

Sapp vangra kamar val khaave,
Jado hasdi te din charh jaave,
Kite vekheya nazara na main,
Eho jeha pyaara main,
Mera dill da lutt leya chain,
Hussan tera lethal combination baby,
Sohni lagdi ae tu,
Hussan tera lethal combination baby,
Blow my eyes are on you,

Hussan tera lethal combination baby,

The explosion, dynamite inni sohni lagdi ae..
Inni sohni lagdi, i will make u mine..
The explosion, dynamite hold the time,
Saari din, saari raate kahu you are mine

Gaddi nu lava laye ni tu sheeshe hun kaale
Te hussan nu jagg toh luka laye,
Akhiya de teer jande seena saada cheer
Kaala chasma tu akhiyan te laa laye,
Jis din tu hoyi a jawaan,
Tere ho gye ne maape pareshaan,
Bhaave rakh lain tainu oh luka ke.
Rakh sakde ni mere toh bacha ke,
Mere sunegi tu gaane,
Laake daddy nu bahaane,
Tu ban k ravegi meri fan,

Hussan tera lethal combination baby,
Sohni lagdi ae tu,
Hussan tera lethal combination baby,
Blow my eyes are on you,
Hussan tera lethal combination baby,

Lagdi ae sone di tu baby doll mainu
Ni phire jado roop chamka ke,

Hussan tera ae saadi jaan toh mehnga
Tera rakh layiye kive mull paake,
Bhaave vikk jaan ajj mere saah,
Tainu laina ni main aapna bana,
Love song main tere te bana ke,
Phir tainu sunao baitha ke,
Meri bann ja tu raani,
Sadha rehndi nai jawani
Hun cheti cheti kar laye tu plan,
Hussan tera lethal combination baby,
Sohni lagdi ae tu lyrics,
Hussan tera lethal combination baby,
Blow my eyes are on you,
Hussan tera lethal combination baby.
