

O teri yaari, badi pyari
But main bhi hoon khiladi
No aata nahi, aata nahi, aata nahi
Mujhko chhupana...

Din bhar tu pyaar chahe baby
Raat ko baby rooth jaaye baby
No aata nahi, aata nahi, aata nahi
Mujhko manana...

So let's break up, o meri jaan
Let's break up, o maan ja
Teri meri kabhi nahi ban'ni
O jaane de na
So let's break up, o meri jaan
Let's break up, o maan ja
Teri meri kabhi nahi ban'ni
O jaane de na

Boom boom boom boommm...
Boom boom boom boommm...
Boom boom boom boommm...
Boom boom boom boommm...

lyrics

O dikh jaaye jo haseena
Chhut jaata hai paseena
Basically, basically, basically
Hoon main kameena...

Wo o..tu bhi kahan
Kam hai baby baby

Kabhi seedhi toh kabhi tedhi baby
Basically, basically, basically
Tu bhi kameeni...

So let's break up, o meri jaan
Let's break up, o maan jaa
Teri meri kabhi nahi ban'ni
O jaane de na
So let's break up, o meri jaan

Let's break up, o maan jaa
Teri meri kabhi nahi ban'ni
O jaane de na

Let me go!

Sach hai you know baby
Tune aur maine bhi
Socha tha ek dooje
Ke hum ho jaayenge
Yahan wahan nahin jhakenge, but!
Armaan machalte hain
Aur mann uchhalte hain
Alvida karte hain
Phir kabhi milte hai
Coffee peene kahin chalte hai
Lekin for now...

Let's break up, o meri jaan
Let's break up, o maan ja
Teri meri kabhi nahi ban'ni
O jaane de na
Let's break up, o meri jaan
Let's break up, o maan ja
Teri meri kabhi nahi ban'ni
O jaane de na..
