

Its time to party all
Night to make it fil right
Get together in mumbai
Yeah temperatures high
Here tonight its the
Time for u and i

Dil usse mille dil ko aajiye
Ho gaya hain phir jaadu kaisa
Shabnam se dur raha hain
Par door raha hain
Aakho mein naksha
Nakshe mein dil
Kashi ka dil ki lagi
Ka alam hain dekhiye
Naksha kehta hain dil se
Dil hona kabhi bhi juda

U and i let s do balle balle
Now alright with some shava shava
By the side aayi hain kaisi
Freaky freaky friday night
U and i let s do balle balle
Now alright with some shava shava
By the side aayi hain kaisi
Freaky freaky friday night
U and i

Oh lets party tonight
Yeah i ll make you fil right
Fil the temperature rise
Its time for u and i
Ek main hoon aur ek tu aur
Ek hain rah hain safar
I m gonna be there for you
You are gonna be for me brother
Jare jare mein aag hain ham
Jo saath hain sham hain jawaan
Jalwa aapna yeh dekhtar
Ho jaaye saara jahaan

U and i lets do balle balle
Now alright with some shava shava
By the side aayi hain kaisi
Freaky freaky friday night
U and i lets do balle balle
Now alright with some shava shava
By the side aayi hain kaisi
Freaky freaky friday night
U and i

Ooh baby baby i love it
When you touch me
Brush your hands
Upon me upon my skin
You get my temperature rise
Its so enticing like lightning
You giving me a fever
I m burning up burning up
Bin tere me ji nahi sakta
Utt sabarahan pi nahi sakta
Dil bhi darken rukh rukh
Hain jalti sadiya ka mil jani
Oh teri meri ek zinderi..

Aankho ka sool nahi hain rang
Chalne palkon se bhi nasha
Honton pe aarjoo hain
Yeh na koi dua koi dua
Naksha chehre ga aapke
Phirda hain hal dil bata
Bhambro se horahi khata
Aa ha yeh khata yeh khata
Nakshe me dil kashin ka
Dil ki lagi ka alam hain dekhiye
Naksha kehta hain dil se
Dil hona kabhi bhi juda

U and i lets do balle balle
Now alright with some shava shava
By the side aayi hain kaisi
