

Dheere dheere hawa chal rahi hain
Jaise koi ghazal ban rahi hain
Chupke chupke nazar mil rahi hain
Jhukte uthte palak yeh keh rahi hain
Oh jaana lets fall in love
Oh jaana lets fall in love
Oh jaana

Khaamoshiyaan hain khaamoshiyaan
Bhi keh rahi daastan hain
Dil dil ki baaten dil dil hi jaane
Dil ki alag hi zubaan hain
Dheeme dheeme sama gaa raha hain
Pyar hota nazar aa raha hain
Haa chupke chupke nazar mil rahi hainn
Jhukte uthte palak yeh keh rahi hainn
Oh jaana lets fall in love
Oh jaana lets fall in love
Oh jaana
This is the way i feel about
You this is the way i feel
This is the way i feel about
You this is the way i feel

Yeh zindagaani aani hain jaani
Agar saathi na ho toh sadaa hain

Apana ho koi sapana ho koi
Jeene ka tab hi mazaa hain
Halki halki ghata chha rahi hain
Pehli bundo ki khushbu aa rahi hain
Chupke chupke nazar mil rahi hainn
Jhukte uthte palak yeh keh rah
Oh jaana lets fall in love
Oh jaana lets fall in love
Oh jaana
Dheere dheere hawa chal rahi hain
Jaise koi ghazal ban rahi hain
Chupke chupke nazar mil rahi hain
Jhukte uthte palak yeh keh rahi hain

Oh jaana lets fall in love
Oh jaana lets fall in love
Oh jaana.
