

Teri nazron ne jaadu kar diya  
Tere hothon ne kaabu kar liya  
Teri baaton ne paagal kar diya  
Teri zulfon ne gham ke khul gaya  
Mere saath chal tu fikar na karna  
Ye raat jawaan hai hum dono yahan hai  
Bole mere armaan

Lets hang raat bhar  
Lets hang mujhse baat kar  
Lets hang akele mein insab ko chhod ke  
Leta hang aaj raat  
Lets hang chal mere saath  
Lets hang kinaare pe  
In sabko chhod ke

Mere saanson mein tu hi chadh gaya  
Mujhe jeene ka bahana ban gaya  
Tu raaton ka sitaara ban gaya  
Mere khwabon ka kinara ban gaya
