

Party all night, lets party
Party all night, lets party
Party all night, lets party
Party all night, lets party
Party all night, lets party

Aaj jo hum ne socha hai
Hoga tho kal ko wahi
Aaj jo apna sapna hai
Hoga woh kal ko sahi
Hum ne yeh maana hai, apna zamana hai
Masti mein hum jhoom le
Woohhhhhhhhhh
Lets party, com'on everybody lets party
Ohh hooo
Lets party, com'on everybody lets party

Ooohohohohoo
Aaj jo hum ne socha hai
Hoga tho kal ko wahi
Aaj jo apna sapna hai
Hoga woh kal ko sahi

lyrics

Lets party forever,
Everybody lets do it together,
Everybody lets party forever, do it together,
Tonight...

Mehafil ho, masti ho
Masti mein dooba zamana ho
Har dil deewana ho har pal suhana ho
Khushi o ka aaisa bahana ho

Mauka ho, saathi ho
Toh phir kyun na har dil deewana ho
Aankho ka aankho mein, bahon ka bahon mein
Dil mein hi dil ka thikana ho

Hum ne yeh maana hai, apna zamana hai
Masti mein hum jhoom le
Lets party, com'on everybody lets party

Ohh hooo
Lets party, com'on everybody lets party

Kehate hai duniya mein,
Mohabat se koi bacha hi nahin
Hum ne bhi chaha tha
Par hum ne dheka hai
Hum ko tho koi mila hi nahin

Hota hai, duniya hai
Sab ko tho sab kuch mila hi nahin
Utna hi milta hai, jitna ke likhta hai
Usme kisi se gila hi nahin

Hum ne yeh maana hai, apna zamana hai
Masti mein hum jhoom le
Lets party, com'on everybody lets party
Ohh hooo
Lets party, com'on everybody lets party

Ooohohohohoo
Aaj jo hum ne socha hai
Hoga tho kal ko wahi
