

Pyaar mera main
Hun yaar tera
Laga le seene se
Bana le dildaar tera
Haseena maan jaa na
Itne bhaav na kha
Darti hai kisse bata

Tujhe kya darr nahi
Mujhko darr nahi
O baby meri yahan
Koi takkar nahi
Main nahin airi gairi
Na kar hera pheri
Mujhko na pyaar jata

Let's talk about love baby
Karte hain sab baby
Let's talk about love baby
Karte hain sab yeah

Let's talk about love baby
Karte hain sab baby
Let's talk about love baby okay

Let's talk about love
Let's talk about love okay

Kar lena baby kar
Lena baby baby
Ban ja na meri ban
Ja na meri meri
Kar na tu deri kar
Na tu deri deri
Let's talk about love baby

Aashiqon ki bheed mein
Na milega mujhsa deewana
Mehenga pad jaayega tujhko
Mujhse ye dil ka lagaana

Are keh de pyaar hai
Haan ji izhaar hai
Nishaane pe lag gaya
Teri aankhon ne kiya jo vaar hai

Let's talk about love baby
Karte hain sab baby
Let's talk about love baby
Karte hain sab yeah
Let's talk about love baby
