Level up
Yeah yeah
Level up
Now turn the levels up!

Main hoon bohat tez ninja kawasaki
Main to de doon
Par meri baatein na deti maafi
Bar mere hard flow mera phansi
Kaamyabi hai paani to neeyat bahot pyasi

Yeh hai free style f*ck the hook
Karta gaane studio mein cook
Le li maine jo tu gaya jhuk
Main hoon legend
Mujhpe likhi jaani chahiye book

lyrics

Main hoon future jaise tesla
Supreme court judge jaise main sunau faisla
Sunju baba safety ke liye rakhun asla
Tell me mere munh pe kya hai bete masla

Yeah mere yaar phookein chronic
Purple haze indica
Karun rap hindi mein represent india
Meri bandi badi hot lagati woh bindi hai
Lsd pop mere khuli chhathi indriyan

Mere dreams mere liye hain reality
Super hoon main star from middle class family
Follow me
Aye kyunki bete hum hain trend setter
Rap nahi bete yeh hai love letter

Ise sunn ise padh jo bhi karna hai kar
Ya to sar chadh ke bol ya to bol sabko sir
Ya to sher ban ke jee ya to bhed ban ke mar
Ya to chhod de ya na chhod koi kasar
B**ch

Now i feel no pain 'cause my level up
I talkin' money 'cause my level up
I grindin' all my life 'cause my level up
Now shining brighter 'cause my level up

Level up now i turn the levels up
Level up now i turn the levels up
Level up now i turn the levels up
Ice chains on me lookin' like medals up

Haan upar upar upar upar upar
Nikla bag leke sath mere divine shooter
Kaali gaadi gora paisa bada dil leke
Hum sab bill dete yahan pe na dil dete

Chal chal

Haan gabbar bande keyboard pe shakkar milne pe
Jaise woh laate rakkas 36 chamber neeche
36 member piche 2 char usme gir gaye
Vishwas toota dil nahi
Haan dushman mere dikh gaye

Chal chal

Level up jaise sher gully boy ke baad
Level up rohit sharma world cup ke baad
Level up divine apne har verse ke baad
Level up mera hood mere birth ke baad

Chal chal

Now i feel no pain 'cause my level up
I talkin' money 'cause my level up
I grindin' all my life 'cause my level up

Now shining brighter 'cause my level up

Level up now i turn the levels up
Level up now i turn the levels up
Level up now i turn the levels up
Ice chains on me lookin' like medals up

Meri team kare win win
Tu apne din gin gin
Ill mind main hoon hopsin
Carry minati wali roasting
Weak ek punch line nahi
Teri tarah nakli shine nahi
Glass mein sasti wine nahi
Bure din ab rewind nahi

Yeah yeh hai hustle woh bhi real wala
Too much swag first copy nahi real wala
Do teen chhod koi rapper nahi real sala
Bakch*di ke jisne form bhare humne chheel dala

Bol-bala us bol ka jo bhi bol daala
Aadhi power teri khatam punch hai yeh paul wala
Raund daala yeh rock bottom hai rock wala
Maana tu hai rich par teri gang broke lala

Rap kare sab par rap inke khaas nahi
G**d phaad likhein aise lyrical hard nahi
Topi ulti moti chain sab hain inke paas
Par in rapper'on ke rap mein
Woh rapper wali baat nahi

Now i feel no pain 'cause my level up
I talkin' money 'cause my level up
I grindin' all my life 'cause my level up
Now shining brighter 'cause my level up

Level up now i turn the levels up
Level up now i turn the levels up
Level up now i turn the levels up
Ice chains on me lookin' like medals up.
