

# Levels Song Lyrics

---

Ho broke as fuck ne haan diye  
Lifetime di pension mangde ne  
Maahdi janani wangu ni  
Saale methon aa tension mangde ne

Bina gallon vich auna chaunde  
Sadde rival de ni haan diye

Tu jinna naal compare kare  
Sadde level de ni haan diye  
Jinna naal compare kare  
Sadde level de ni haan diye

Aithe kehda kinne jogga ae  
Sab jaat jaanda chhakkeyan di  
Unjh majhe de jatt bande aa  
Kujh copy bande yakkeyan di

Ho bhull jaande par kujh nai muhre  
Devil de ni haan diye

Tu jinna naal compare kare  
Sadde level de ni haan diye  
Jinna naal compare kare  
Sadde level de ni haan diye

Yo!

It's like who else you really know  
That resettin' the ball  
They just dropped a couple songs  
But they think they're a star

We don't run from competition  
We don't run from the law  
If you're tryin' to level up  
I'm the one that you call

I just do this for the love  
I don't do this for the bag  
They said meet me at the top  
I looked around like where y'all at

Pardon if i left  
Fu\*k you if you mad

I could lose everything  
Is still double what you had

Ho pith utte taan bahut bolde  
Munh te kehno sangde ne  
Main roti paya jinna nu  
Ajj verse de paise mangde ne

Ho saanu maahda changa bolke  
Beef chala le kaiyan ne  
Jardiyan vaddiyan laake photovan  
Geet chala lai kaiyan ne

Leeliyan feeliyan chintu kehndi  
Pair pair te vikkde ne  
Nit nava koyi khasam ne karde  
Ik te kithe tikkde ne

Ho sadde baare shit talkan  
Te sadde kol hi sikhde ne  
Ajj vi je koyi piyo puchhda  
Taan naam sidhu da likhde ne

Ho paid collaban karke  
Bharatlyrics.com  
Chobbar karda nahio chaud kude  
Solo dolo move kare  
Te bande dekhan kaun kude

No name te brand value  
Dassan di koyi load nahi  
Athne ep chhaddi si  
Te tadke se billboard kude

Tadke se billboard kude  
Tadke se billboard kude

Ho nahi jinna nu meri hustle pata  
Ohna baad udke aaya haan  
Eh jaake canada shukar de  
Main othon hi mud ke aaya haan

Aaj vi topic talk da sidhu  
Vich mehfil de ni haan diye

Tu jinna naal compare kare  
Sadde level de ni haan diye
