

Paisa kya hai  
Sirf ek number na haan  
Galat bhuk hai paisa bhuk

Jindagi ki hai baaji  
Saanson ki hai yeh chaal  
Dil ne saajish rachi hai  
Khaabon ka yeh jahaan  
Anginat khwaaishon ki jal rahi hai  
Mashaal pyaas itani  
Badi hai na koi hai misaal  
Koshish hai jaane kaisi  
Kya hoga because life is game  
That is so strange you never  
Know how rules may  
Change hai nasha khel ka,  
Yeh jindagi ki hai ada play the game  
Play the game  
Play the game

Tumhe kya lagata hai  
Yahi jo jivan tum log ji rahe ho yeh koyi  
Yeh koyi khel hai  
That its a bludy game

Chaahe galati ho chhoti,  
Par badi hai saja khel hi hai magar  
Yeh hai sirk khelana jitana jindagi hai  
Haarana maut hai jaane kismat kya hai  
Khud ko aajama rang naye dikhlaaye har  
Ek lamaha because life is game  
That is so strange you never know  
How rules may change hai nasha khel ka  
Yeh jindagi ki hai ada play the game  
Play the game  
Play the game

Jo hai woh nahi hai,  
Aur jo nahi hai woh ho sakata hai  
Sab khel hai, khel hai baby

I tell you.
