Tu ronak mereya chaawa di main bhul gayi sab gile  
Haay aap karma wale ve sachchi karma naal mile  
Chudiyaan de naal match kara ke rakhne de vich rakh di pugg  
Jo bagha vich phalne sohne soni tere naal main laga

Takdeer bani meri mehrbaani allah teri  
Main binde binde keete shukrane ajj ne

Kehnde jodiyen bana ke rabb bhej de  
Meri zindagi ch bhejiya sukun rabb ne  
Kehnde jodiyen bana ke rabb bhej de  
Meri zindagi ch bhejiya sukun rabb ne

Gunn vi milde soch vi mildi  
Ve porran na difference channa  
Uba city me pind ch sare  
Ve chaldene reference channa

Supne tere meri pooriya karan  
Jaga jannat bana de jithe pair tu dhare  
Chittiyen kalaiyan vich sahe sahe chure  
Rang fike guhe sare sanu jave phabb ne

Kehnde jodiyen bana ke rabb bhej de  
Meri zindagi ch bhejiya sukun rabb ne  
Kehnde jodiyen bana ke rabb bhej de  
Meri zindagi ch bhejiya sukun rabb ne

Tera mashallah kirdaar ni jattiae  
Tere wargi koi dildaar ni jattiae  
Mainu kithe si mohabbat ondi heeriya te sikhayi  
Ni ghode de pona de vich main chhangi kar di jayiae

Tor ya kat jattiae ni tere naal aake khaloae
