Le laga le sip baby  
Le bana le trip baby  
Geela geela sab fislan ho gayi  
Loose na kariyo grip baby  
Move kare jo baby hip tu  
Lick kare jo baby lip tu  
By god baby ladkon ke lag gayi  
Glucose ki drip

Silent pe kar do phone  
Bana hai zone  
Na mujhko tang karo  
Dekh ke usko nasha huaa jo  
Na usko bhang karo  
Naachegi saari raat  
Bina koi baat  
Deal yeh done karo  
Kaam karo zyada  
Baby baatein thori kam karo

BHARAT  
lyrics

Baby baat meri maan batti band kar de  
Baby baat meri maan batti band kar de  
Mera dil na jalaa aivein bill na badha  
Baby baat meri maan batti band kar de

Hua garmi se paani  
Paani kaise beat karein teri heat ko  
Ikk bhoot sa bad jaye tujh mein  
DJ drop kare jab beat ko

Sunroof se baahar nikal ke  
Kehar macha de shehar mein saare  
Naach naach ke dance floor  
bana de gaadi ki seat ko

Sar pe na renge joo  
Haan baby tu  
Hawa mein rehti hai  
Le leti hai jaan  
Jo mere kaan mein aake kehti hai

Light kardo band  
Kardo band, kardo band  
Light kardo band  
Kardo band, kardo band  
Light kardo band  
Kardo band, kardo band  
Light kardo band  
Kardo band, kardo band

Light kardo band  
Kardo band, kardo band  
Light kardo band  
Kardo band, kardo band  
Light kardo band  
Kardo band, kardo band  
Light kardo band  
Kardo band, kardo band.
