

# Limits Song Lyrics

---

Byg byrd on the beat!

Byg byrd on the beat!

O limit'an de vich nahiyon rehna sikheya

Baaghiyan de wang ya udaari bharde

Supne ch kardi lagaud kaar jo

Assi asal de vich oho saare karde

Ho kalla kalla dab naal laake rakhda

Kare magazine khali je koyi muhre adh da

Ho jadon jadon paani lange sir utton ni

Ohdon ohdon gun jatt load karda

Ho jadon jadon paani lange sir utton ni

Ohdon ohdon gun jatt load karda

Assi maade nahin jinni akhbaar dasdi

Kujh lokan nu aan kamm saade maahde lagde

Pind'an vich challe mat pind'an aali aan

Nati aan taseer ae proud aag te

Ho bina wajah nahiyon kade ghureya kise nu

Passe follow munda street port karda

Ho jadon jadon paani lange sir utton ni

Ohdon ohdon gun jatt load karda

Ho jadon jadon paani lange sir utton ni

Ohdon ohdon gun jatt load karda

Ho nahin piche lageya oh kade naara de

Sarkaran de dhokedaar'an de

Aukha muh lagna ae jhutte yaaran de

Mein saale hurt karne jo khande khaara ne

Yaar ban jehda karda'e yaar maar

Oho banda sala hell ch belong karda

Ho jadon jadon paani lange sir utton ni

Ohdon ohdon gun jatt load karda

Ho jadon jadon paani lange sir utton ni  
Ohdon ohdon gun jatt load karda

Mein kehna muh utte jo vi mere dil vich ya  
Mein karda believe shit talk ch veere  
Rakheya bharosa ek rab utte aan  
Dooja khud te te teeja ya clock te veere

Oh gal idhar di jaake jehda udhar kare  
Ohda vi aan hilla sada god karda

Ho jadon jadon paani lange sir utton ni  
Ohdon ohdon gun jatt load karda  
Ho jadon jadon paani lange sir utton ni
