

Lipstick laga ke tenu loot liya ve
Akhiyan mila ke heart attack diya ve
O saiyan ve, o saiyan ve
O saiyan, o saiyan, o saiyan ve

Lipstick laga ke tenu loot liya ve
Akhiyan mila ke heart attack diya ve
O saiyan ve, o saiyan ve
O saiyan, o saiyan, o saiyan ve

Aa aa awesome lagdi ae
Tu fashion washion kardi ae
Tu gym me jaake figure bana ke
Ki ki kill kardi ae

Apple jaisi booty teri
Legs complimentary teri
Candle jaise lips tere
Haalat senty senty meri

O saiyan ve, o saiyan ve
O saiyan, o saiyan, o saiyan ve

Aa love da season hai
Koi reet na koi reason hai
Khol de ab khol de
Tu dil ka ye darwaza

Tu bada hi hotty hai
Mere desire naughty hai
Aa kare badmashiyen
* mein hun aaja

Come on my sexy lady
Lets make some love tonight
You got me goin' crazy
I wanna hold you tight

O saiyan ve, o saiyan ve
O saiyan, o saiyan, o saiyan ve
