---

Kootali vala munna  
Kacheri polaam pinna  
Athaadi naala pakkam  
Namma jenam podum gummalam

Kattadam vaanam mutta  
Kattunom verva sotta  
Pattanam undakki dhaan  
Vechom inga yellorum vaazha

Heyy eppovo vandhom inga  
Ethana sondham anga  
Suthura bhoomikkudhaan  
Sakkaratha senjom kaiyyala

Hey akkara seemiyila  
Nikkira kappal pola  
Yethana thunbam thandi  
Vandhom indha manna ponnakka

Yela povom vala  
Va pangali nee singaikkara  
Yela povom vala  
Nee step ah podu semma style ah

Kootali vala munna  
Kacheri polaam pinna  
Athaadi naala pakkam  
Namma jenam podum gummalam

Singapooriyan vandhu seenaga nirkindra sooriyan  
Indha seemai kattikkatha kalaiyan  
Therodum veethiku verivan sollisai paduven  
Macha nee kedu kedu engal sirappu  
Singapooru thamizh makkal valarppu  
Onna serum bothu perum neruppu

Looking modernity machi kannai kavarnthitta thamizhachi  
Mannin sarithiram thondi paru machi

Minum natchathirangalin ooru  
Pangali mela mela yaeru  
Konadu mela thaalam vechu aadu  
Yennalum marakkathu solli kudutha panpaadu

Railodum paadhaikkellam  
Veiyiloda uzhachchom  
Kudiyerum nattukuthaan  
Kuralaga olichom

Uravoda vaazhum edam  
Azhagana ulagam  
Varungalam marakkathey  
Velakethi vanangum

Hey eppovo vandhom inga  
Ethana sondham anga  
Suthura bhoomikku dhaan  
Sakkaratha senjom kaiyyala

Hey akkara seemiyila  
Nikkira kappal pola  
Yethana thunbam thandi
