

Kal se hai band  
Aaj mujhe peene do  
Marne se pahle  
Thoda bahut to jeene do

La mittar glass phada de  
Thoda chicken tikka la de  
Yaara da shauk bada ni  
Bas little little paa de

Abhi kal ke hangover se  
To hum nikle bhi nahi the  
Yaaro ne peg bana diya  
But kaise isko peete

Par sabko peeta dekh ke  
Mera man to thora dola  
Phir dost mera bola  
Bhai little little kar le

Main liter liter pee gaya  
Bhai little little kar ke  
Main liter liter pee gaya  
Bhai little little kar ke

Sab glitter glitter ho gaya  
Bhai little little kar ke  
Main liter liter pee gaya  
Bhai little little kar ke

Ho raha ae yaha drama, drama!  
Ho raha ae yaha drama...  
Ho raha ae yaha drama, drama!  
Ho raha ae yaha drama...

Eb tera bhai peeyega  
DJ ka floor hilega  
Ek number le chuka hai  
Bhai tera abhi aur bhi lega

Oo meri laal pari

lyrics

Aaja mere paas tu aaja  
Soda daal ke bacche peete  
Jatt nu ajj neat pila ja

Abhi kal ke hangover se  
To hum nikle bhi nahi the  
Yaaro ne peg bana diya  
But kaise isko peete

Par sabko peeta dekh ke  
Mera man toh thora dola
