Oy oy oy jind meriye

Haay haay haay jind mereya
Shaam hote hi naal yaaraan

Doobe sooraj toh banda vi
Doobe hai ye koyi jeena hmm

Baat changi hai ye
Teri dhyaan rakhaanga
Aaj pee loon boond kal

Lo aa gayi lodi ve bana lo jodi ve
Kalaayi koyi yun thaamon
Na jaave chhodi ve

Kuchh mangaaun yaad
Tumko reh nahin paaye
Laana toh tha ek
Paraanda halva le aaye

Paas ab ye note book
Hai is mein likh loonga
Yaani ab jo tum
Mangao woh hi laaunga

Haan.. Sudharte sudharte hi sudhar jaayenge haan haan haan
Tere qurbaan java
Tere qurbaan java
Soniye baliye jindiye heeriye
Sajna dholna makhna raanjhna
Aa.... Chaahe badlo ya
Na badlo phir bhi mere ho
Main toh chaahoon
Jab janam loon tum hi mere ho

Oh ho ho ho ho..
Heeriye main har
Janam hoon tera hi jogi
Tu meri thi tu meri
Hai tu meri hogi
Haan...tumhaare bina
Ye kidhar jaayenge

Honi ab poori hai zaroori
Mann diyaan sadraan teriyaan

Tenu main jaan diyaan
Khoob pehchaan diyaan
Tere qurbaan java
Tere qurbaan java

Ho ho ho ho ho ho lo
Aa gayi lodi ve
Bana lo jodi ve
Kalaayi koyi yun thaamon
Na jaave chhodi ve

Choothh na boli ve
Kufar na toli ve
Jo tune khaayi thi
Kasmein ik ik todi ve.
