

Log aurat ko fakat jism samajh lete hain  
Log aurat ko fakat jism samajh lete hain  
Ruh bhi hoti hain usme ye kahan sochte hain  
Log aurat ko fakat jism samajh lete hain

Ruh kya hoti hainm isse unhe matlab hi nahi  
Wo to bas tan ke takajo ka kaha maante hain  
Ruh mar jaye to, har jism hain chalti hui laash  
Is hakikat ko samjhte hain na pahchante hain  
Log aurat ko fakat jism samajh lete hain

Kitni sadiyo se ye vehshat ka chalan jari hain  
Kitni sadiyo se hain kayam ye gunaho ka rawa  
Log aurat ki har ek chikh ko nagma samjhe  
Ho kabilo ka zamana ho ke shehro ka sama  
Log aurat ko fakat jism samajh lete hain

Jrab se nasl bade julm se tan mel kare  
Ye amal hum hain beilam parindo me nahi  
Hum jo insaano ke tahjibo liye firte hain  
Hum sa vehshi koi jungle ke darindo me nahi  
Log aurat ko fakat jism samajh lete hain

Ek main hi nahi kya janiye kitni honghi  
Jinko ab aayina takne se jhijhak aati hain  
Jinke khaabo me na sahare hai na sindur na sej  
Aur na murda hu ke jeene ghamo se chhutu  
Log aurat ko fakat jism samajh lete hain

Ek bujhi ruh lute jism ke dhache me liye  
Sochti hu ki kahan jake mukkadhar fodu  
Main na jinda hu, ke marne ka sahara dhundhu

Aur na murda hu, ke jeene ke gamo se chhutu  
Log aurat ko fakat jism samajh lete hain

Kaun batlayega mujhko kise jakar puchhu  
Zindagi kahar ke saancho me dhalegi kab tak  
Kab talak aankh na kholega zamane ka zamir  
Julm aur jabr ki ye reet chalegi kab tak  
Log aurat ko fakat jism samajh lete hain
