

Log kahate hai main sharaabi hoon  
Log kahate hai main sharaabi hoon  
Tumane bhi shaayad  
Yahi soch liyaa ha  
Log kahate hai main sharaabi hoon

Kisipe husn ka gurur  
Javaani ka nashaa  
Kisike dil pe mohabbat ki  
Ravaani ka nashaa  
Kisiko dekh ke saanso se  
Ubharataa hai nashaa  
Binaa piye bhi kahi had se  
Guzarataa hai nashaa  
Nashe main kaun nahi hai  
Mujhe batao zaraa  
Kise hai hosh mere  
Saamane to laao zaraa  
Nashaa hai sab pe  
Magar rang nashe ka hai judaa  
Khili khili hui subah pe  
Hai shabanam ka nashaa  
Hawaa pe khushabu ka  
Badal pe hai rimajhim ka nashaa  
Kahi surur hai khushiyo ka  
Kahi gam ka nashaa

Nashaa sharaab main  
Hota to nachati botal  
Maikade jhumate  
Paimaano main hoti hulchul  
Nashaa sharaab main  
Hota to naachati botal  
Nashe main kaun nahi hai

Log kahate hai main sharaabi hoon

Log kahate hai main sharaabi hoon  
Tumane bhi shaayad yahi soch liyaa  
Log kahate hai main sharaabi hoon  
Thodi aankho se pilaa  
De re sajani deewani  
Thodi aankho se pilaa  
De re sajani deewani  
Tujhe main tujhe main  
Tujhe saanso main basa lungaa  
Sajni deewani  
Tujhe naulakkhaa  
Magaa dugaa sajani deewani  
Tujhe naulakkhaa  
Magaa dugaa sajani deewani.
