

In the lonely days
In the lonely nights
Teri yaad aaye

In the lonely days
In the lonely nights
Teri yaad aaye

Lonely lonely
Bharatlyrics.com
I'm lonely lonely
Lonely lonely
I'm lonely lonely

My heart is burning for you
Day night i'm crying for you
Kyun mujhko chhod gaya tu
Chhod gaya tu chhod gaya tu
Chhaya yeh pagalpan hai
Kyun yeh awaraapan hai
Haan mujhko hosh nahi
Ab hosh nahi ab hosh nahi

In the lonely days
In the lonely nights
Teri yaad aaye

In the lonely days
In the lonely nights
Teri yaad aaye

I have nobody buddy
I'm so lonely buddy
Har pal bas teri yaad sataaye

Aankhon mein neend nahi hai
Raaton mein mujhko
Tanha tanha chhod gaya hai
Tu kyun mujhko
Teri hardum yaad sataaye
Tu hi itna yaad kyun aaye

Lagta hai kyun aisa mujhko
Ke tu hi hai mera pyaar

In the lonely days
In the lonely nights
Teri yaad aaye
In the lonely days
In the lonely nights
Teri yaad aaye

Yaad aaye lonely lonely
Yaad aaye i'm lonely lonely
Yaad aaye lonely lonely
Yaad aaye i'm lonely lonely

I have nobody buddy
I'm so lonely buddy
Har pal bas teri yaad sataaye.
