

Aise na dekho kuch kuch hota hai
Aajkal yaar na mera sone de na sota hai
Bahon mein lekar baitha rehta hai
Na mere honth hile na dekho woh kuch kehta hai

Tu zulf se khele meri

Tode angdayi meri
Bhool ke duniya sari hi
Ab main toh ho gayi teri

Saiyan goodnight na mujhko kehne deta hai
Kehne deta hai..kehne deta hai

It's a long night..it's a long night..it's a long night
Yaar na mujhko mera sone deta hai
It's a long night..it's a long night..it's a long night
Khud ko na mujhse juda ye hone deta hai

Long night..

I swear jab mujhe touch kare tu
Uddein lakhon titliyan
Uddein lakhon titliyan

Si-khun-gi pyar main kaise
Jab tak karungi na galtiyen
Jab tak karungi na galtiyen

Tanhayi na main feel karun
Jab saath mein mere hota tu
Baby har saans ke saath kahun
Main teri mera tu

Saiyan goodnight na mujhko kehne deta hai
Kehne deta hai..kehne deta hai

It's a long night..it's a long night..it's a long night
Yaar na mujhko mera sone deta hai
It's a long night..it's a long night..it's a long night
Khud ko na mujhse juda ye hone deta hai

Ik raat baimaan aur tu mere saath hai
Kabse tha pyasa aaj mili barsaat hai
Aas si jaga ke meri pyaas si badha ke
Goodnight keh ke so rahi ho ye bhi koi baat hai

Chill waisa karte hain dim karte hain light
Litaane de mujhko baby apne left side
Sar rakh le tu meri bahon par
Aise na sharm kar kar mujhe hug tight

It's a long night..it's a long night..it's a long night..

It's a long night..it's a long night..it's a long night
Yaar na mujhko mera sone deta hai
It's a long night..it's a long night..it's a long night
Yaar na mujhko mera sone deta hai

It's a long night..it's a long night..it's a long night
Khud ko na mujhse juda ye hone deta hai.
