

Long Time No See Lyrics

Sapna tha tu mera main tujhko hasil karu
Lagta na bin tere dil ab iska kya karu
Beetega har sama bas teri hi yaad mein
Tu meri justjoo tu meri aarzoo

Jane kahan kho sa gaya tu
Lauta na aisa gaya tu
Khwaabon sa ho sa gaya tu
Raahon se ab mud ja na

Mujhpe ye karz chadha de
Tu mera dard badha de
Ya de aaram mujhe
Zakhmon ka marham ban ja na

Coming home long time no see
Ab dekhe tujhe roz hi
Khuda de toh main likhu
Music mere liye ban chuki hai rozi

Jab chahe aamad ho
Jab chahe nahi
Duniya bolti rahe mujhe
Main ro bhi nahi

Us toote hue ghar ki
Tasveer dekh
Us tasveer mein ab tu bhi nahi
Aur main bhi nahi

Toh kitne dard mile honge
Tujhe meri wajah se
Tu aaye jis jagah
Chale jaye ham us jagah se

Ijjat ko lena dena
Duniya ka dastoor samjha hai
I was right there
Par tune mujhe door samjha hai

You said you're gonna be
With me for life girl
Ab main khud par taan kar
Baitha hu rifle

This broken heart hurts so much man
Kabhi kabhi khayaal aaye suicidal
Kyuki humne tujhse
Baat karna chhod di hai
Haath par khoon
Ghar ki cheeze maine tod di hai

She's gone usse na roko
Wo ja chuki hai
Toofan ki alamat hai ye khamoshi
Ye baarishein chupa de mere aansu
Lage aise jaise boondein
Meri aankhon mein hi aa basin

Main kaam karu lagan se
No one has ever felt
Ab mujhe apne hi logon se
Mile shabashi

BHARAT
lyrics

Baat hai ye teri wafa ki
Baarishon ki thandi hawa ki
Titliyon ke rang hai tum mein
Phoolon ki to laaj bada di

Bassa hai tu dil mein kahin
Ya tere hone ka ehsaas hai
Jitni bhi doori hai tujhse bhale
Lagta hai jaise tu hi paas hai

Aa mujhme bas ja aisa kahin
Ke jane ka ho rasta nahin
Kyun tere bin dil lagta nahin
Kyun rota hai kyun hasta nahin

Aa fir se mujhko rasta dikha
Mere hath pakad ye doori mita

Kaise manu tere dil ko
Tu sath kisi ke hasta dikha

Sapna tha tu mera main tujhko hasil karu
Lagta na bin tere dil ab iska kya karu
Beetega har sama bas teri hi yaad mein
