O woody woody tika ti ta,

Look look how she walks,
Look look makes me rock,
Look look she's so hot,
Woh hai jaise tequila shot,

She's pretty she's on fire,
She's sexy & my desire,
Make my heart go,

Rock n roll pretty woman,
Rock n roll pretty woman,
O woody woody tika ti ta,

Look look her groovy eyes,
Karti mesmerize,

Wo hai jaise live missile,

She's lovely she has class,
Body locked in a glass,
Make my heart go,

Look look how she walks,
Look look makes me rock,
Look look she's so hot,
Woh hai jaise tequila shot,

She's pretty she's on fire,
She's sexy & my desire,
Make my heart go,
