

Main dhoondne ko zamane me jab wafa nikla
Main dhoondne ko zamane me jab wafa nikla

Girl i left your bags in the driveway
Why the blank face?
I musta been stupid
To think you had my back in the first place
Before the money came
Bharatlyrics.com
When i had nothing

Was in the car that i bought ya?
Was it in the bed that we used to lay?
Girl ur only sorry cause i caught ya
Look me in the eye and tell me to my face

The calls you would fake
The stories you would make
Could tell by your tone that you weren't alone
Crying won't work
Your words won't return
This heart you disowned

Main dhoondne ko uske dil me jo khuda nikla
Main dhoondne ko uske dil me jo khuda nikla
Pataa chala ke ghalat leke main pata nikla
Pataa chala ke ghalat leke main pata nikla
Main dhoondne ko zamane me jab wafa nikla
Main dhoondne ko zamane me jab wafa nikla...

I've been looking for love..looking for love
I've been looking for love in a wrong place..
Main.. Main dhoondne..lookin 4 love
Main.. Main dhoondne..looking for love

Now u can stop pretending to be in love with me
You deserve....
But you've been telling what i wanna hear
So feeling only you meant it

Was it in the card i brought ya

Was it in the bed you used
You were sorry only cause i caught ya
Look me in the eye and tell me to my face

The calls you would fake
The stories you would make
Could tell by your tone that you weren't alone
Crying won't work
Your words won't return
This heart you disowned

Main dhoondne jo kabhi jeene ki wajah nikla
Main dhoondne jo kabhi jeene ki wajah nikla
Pataa chala ke ghalat leke main pata nikla
Pataa chala ke ghalat leke main pata nikla

I've been looking for love..looking for love
I've been looking for love in a wrong place
I've been looking for love
I've been looking for love in a wrong place
Looking for love..
I'm looking for love
I'm looking for love in the wrong place
Love in the wrong place
Looking for love in a wrong place.
