

Lori suna fir se,
Mujhe neend nahi aati hai,
Bada hua hun magar,
Bachpan kahi baaki hai,

Lori suna fir se,
Mujhe neend nahi aati hai,
Bada hua hun magar,
Bachpan kahi baaki hai,

Jo sukoon milta,
Tere aanchal mein,
Na kahi milta duniya mein,

Kaash so jaaun,
Sote hi reh jaun,
Hai thakan kitni akhiyon mein,

Duniya toh kitna sataati hai maa,
Wo baarish mein gum ki bhigati hai maa,
Tu toh khud bheeg jaaye sukhe mein sulati hai,

Lori suna fir se,
Mujhe neend nahi aati hai,
Tere aanchal mein,
Duniya mil jaati hai,

Dard dil ke kyu?
Apne chhupati hai?

Tu chhupa mujhko aanchal mein,

Haal hafton se,
Puchha nahi tera,
Dekh kitna hun paagal main,

Kyu zakham kisi ko dikhaye nahi?
Kyu ye kisi ko bataye nahi?
Ke tu sabko khila bin khaye so jaati hai,

Lori suna fir se,

Mujhe neend nahi aati hai,
Tere aanchal mein,
Duniya mil jaati hai,

Chaar din ki kyu?
Ye zindgaani hai,
Mujhko shikayat ye khuda se hai,

Ek maati ke putle hum saare hain,
Kuch paas rehte kuch judaa se hain,
Chup-chap gaye wo bataya nahi,
Par tu jaaye to humse chhupana nahi,
Maa tu bin bataye aksar chali jaati hai,

Lori suna fir se,
Mujhe neend nahi aati hai,
Tere aanchal mein,
Duniya mil jaati hai,
