

Loser Lyrics

Ladies and gentlemen listen up
To the loser song

Loser loser

Now a loser banu caesar
Jaise villain upside down
Oh hater tera pet bhar
Yeh kaamyabi will take time

Zindagi hai zara si
Har pal ek baazi
Raazi hum dil bhi raazi
Never give up policy

Raatein jab hon kaali
Sooraj deke taali
Jaga de subah de
Ujaala kare

Jeevan spiral falling down
Never give up
Rishte-naate falling out
Never give up

All of life messing up
Never give up
My dear society
Now you can say my name
Loser loser

Now a loser banu caesar
Jaise villain upside down
Oh hater tera pet bhar
Yeh kaamyabi will take time

Yeah he's just a loser
But he gon' get it right
When it all goes down

BHARAT
lyrics

You know he gon' be the right man

The man's got a plan and so
Just in command no you don't understand
No you can never handle it

My lazy gambler my plan disaster
He don't move fast
But the money move faster
'cause of the grandmaster

Chillin' in the fight just dealin' with the pressure
Call of a gangster we lay back down
No heat no never show you the way
He's a heart-taker so don't get caught in the fire

Chhota logic lots of magic
Padu nahi palle
Boozer-boozer slow achiever
Haar ke karu balle

Haan chaar din ki hai jawaani
Phir dobara yeh na aani
As soon as mumkin hoga
Caesar mode payback

Raatein jab hon kaali
Sooraj deke taali
Jaga de subah de
Ujaala kare

Saade-saati lag jaaye
Never give up
Din mein taare dikh jaaye
Never give up

Chai thandi mil jaaye
Never give up
Haters hey traitors

lyrics

Loser

Ain't no hegemony ain't no power
Ain't no validity ain't no panama
Ain't no grantee i am no quitter
Got nobody with you wanna-wanna-wanna be a gangster
Gangsta gangsta wanna be a gangster gangsta

Maybe i'm king could be anything
Maybe i'm boxer waiting for the ring
Maybe i'm a gangster gonna do my thing
All i want is gambling

Maybe i'm a fool baby don't you school
You think i'm down while i'm lighting my fuel
Taking on the world dude change karu rules
Calling me a loser came out a fighter

It's my life it's my rules
You gonna get my tool
Banunga laila banunga pehla
Keh-keh ke loonga hateron ki
