

Tere bin,
Tanhaiyon mein jee raha hun main,
Taare gin,
Aasmaan mein kho raha hun,

Ishq wali gali vich koi koi langhda,
Zindagi nu chad eh taan jaan vi mangda,

Haale taan ne dil diyan kachiyan,
Aasa ni main tere utte rakhiyan,
Kittiyan beganiyan vi akhiyan,

Lost in your love,
I don't know what to do,

Girl i'm gumshuda,
Tu hi dikhade raasta,
Tujhko hai mera vaasta,
Yun na sata,
Main hun gumshuda,
Main hun gumshuda,

Tell me what to do?
Tell me what to do?
Now..
Tell me what to do?
Tell me what to do?
Now..

Raataan kaaliyan karangi tere naal,
Kise naal gal na kari,
Raataan kaaliyan karangi tere naal,
Kise naal gal na kari,

Akhaan laiyan te hoye bura haal,
Kise naal gal na kari,
Ae raataan kaaliyan karangi tere naal,
Kise naal gal na kari,

Ho are you playing my emotions,
Like i'm not suppose to know this,

BHARAT
lyrics

We supposed to be alright,
Though we had this for life,
This shit just don't feel right,
Oh my god oh my god,

I will lost my mind,
If i lost your love right now,
Girl i only want you right now,
So i'm opening for it,

I'm looking for you,
No one ask before i called you,
Tell me i'm your,
Calling every number in my phone,
I'm just tryin' to bring my baby home,
All i wanna do is run around,
Probably why i had to write this song,
Cause girl you know i,

Tujhko hai mera vaasta,
Yun na sata,
Main hun gumshuda,

Tell me what to do?
Tell me what to do?
Now..

Tell me what to do?
Tell me what to do?
Now..
