

# Lost Song Lyrics

---

Maine comma jisko samjha  
Woh to lag raha hai full stop sa  
Tune batting khud hi karli  
Jaana kiya tune toss kaha

Joh easy ball hai  
Samjhi muh pe aayi wo full toss sa  
Kehne ka ye matlab hai  
Tere jate hi hoon lost sa

Main chain sara de kar  
Bas takleefin maine khareedi  
Main sachi bolu  
Paagal ho gaya hoon sunke arijit

Socha tu thi ghar he ki  
Par nikli tu atithi  
Akela rehna bhaye  
Ab kareeb nahi hai kareebi

Subah se main pee raha hu  
Par abhi bhi mujhe chadhi nahi  
Bhari mera sir hai  
Kyuki havi shayad shaniji

Tera topic jab bhi aata hai  
Toh ho jaata hoon uneasy  
Andaar jalke  
Bharatlyrics.com  
Bahar sabse bolu mujhe padi nahi

Sare answer mere pas hi hai  
Jaanke kar nahi paa raha hoon solve mai  
Ek bar mein khatam kar sakta hoon par  
But i think i like installments

I know kya sahi hai mere liye  
Par le nahi paa raha hoon call mai  
Kisi ne socha tha ki breakup ke  
Gane karega john wick

Kyu mai aise rootha sa,  
Dooba sa sookha sa, chupa sa,  
Toota sa khoya rahoo

BHARAT  
lyrics

Baatein saari, tu bata  
Subah se kyu bhala, hu khafa  
Baithe main aahein bhaaru

Baby i'm just so lost, i'm just so lost  
Baby i'm just so lost, i'm just so lost

Shayad acha lag raha hai mujhe  
I'm tripping on this pain now  
Yeh mausam itna manhoos kyu hai?  
I think it's gonna rain now

Dil ki planning fade ho rahi hai  
I'm thinking from my brain now  
I'm drained now, thak gaya hoon  
I just want to break this chain now

Body kaafi strong hai  
Beta dil se thoda weak hoon  
Shuru me kafi fati thi  
Par aab lagta hai theek hoon

Wahin galtiyo ko dohrata hu  
Par aisa nahi ki seekh lu  
Tujhe kutte jaise miss kar raha hoon  
I know you're missing me to

Mere soch ke yojana flop huya  
Aur yeh afsoos toh dil ke hai stroke sa  
Ab yeh rooz ka, botla, vodka  
Chokra, joke sa, hausla khojta

Sare saare dost ka rokna tokna kosna  
Iss chot ka nai koi tootka  
Sun tere honth ka dose toh dope tha  
Main toh bas totla na koi hosh na

I'm a rockstar, you're a rose flower  
Hatth me mere mogra tha ab hai pokhraj  
Terko mujhe rokna tha na jab mai wrong tha  
Ab mere shoke ko aake thoda soke jaa

Main toh baby rootla, lothada gosth ka  
Pehle toh mai thoos tha, ab soft sa dhokla  
Sachi tune bahoot saha jab maine no kaha  
Ab lost hoon roz yahan

BHARAT  
lyrics

Ab sare sare din, un yaadon ke bas glimpse  
Bas kare mujhe pinch, yeh kaise mai sahu  
Yeh kehti mujhe wind, aur deti mujhe chills  
Ki aane wali zindagi tere bin na ho

Baby i'm just so lost, i'm just so lost  
Baby i'm just so lost, i'm just so lost  
Baby i'm just so lost, i'm just so lost  
Baby i'm just so lost, i'm just so lost.
