

Kis taraf se yuun dekh kar,
Chalati ho muh pher kar
Par jahaan bhi jao jaan e jaana
Waapas hai tumako aana
Never get a chance to
Say to you that i love you
I find it really hard to say,
Hey i love you
Yuun itraao na,dur jao na
Sharmaake sirf baahon mein meri,
Chupake se tum samaao na
Jaane do taana bahaana,
Main toh hoon deewaana
Tum bhi gar na samjho mujhe toh,
Ho na jaau shaayaraana

Never get a chance to
Say to you that i love you
I find it really hard to say,
Hey i love you

Koshish pe koshish kiye ja,
Jitane angdaayi liye ja
Tum jaaogi mere bina toh,
Padega waapas aana
O meri jaan e jaana hoon
Main yuun shaayaraana

Never get a chance to
Say to you that i love you
I find it really hard to say,
Hey i love you
Never get a chance to
Say to you that i love you
I find it really hard to say,
Hey i love you.
