

I see you all the time
Never see you smile
I try to picture what's
Going on in your mind
He leaves you every
Night by yourself
He took your love
And put it on the shelf
He doesn't really
Care how you feel
You should be moving
On girl what's the deal
I wanna see you out that door
Cause girl you know
You're worth much more

So baby tell me why
You stick around
Always lonely and
You only wear a frown
He don't treat you
Good and you know
The only thing left
Is for you to go
You shouldn't live a
Lie with someone
When deep inside you
Know he ain't the one
I don't know what
To say no more
I wanna see you
Out that door

Yah azizi is mahini
I really don't wanna see u cry
Mujko samjho dil peh mat lo
Don't wanna see

Another tear in your eye
Baby break away let him go

BHARAT
lyrics

I don't know he's done to you
But i know that it's
Time to move on
Girl your love is blind

Girl i understand
That you're scared
And you feel that you
Might never love again
But baby that ain't true
No no no
I know that there
Some there for you
Someone that will see
That you are worth
An undiscovered
Treasure on this earth
Girl you know you're
Worth so much more
I wanna see you out that door

Yah azizi is mahini
I really don't wanna see u cry
Mujko samjho dil peh mat lo
Don't wanna see
Another tear in your eye
Baby break away let him go
I don't know he's done to you
But i know it's time to move on
Girl your love is blind

Yah azizi is mahini
I really don't wanna see u cry
Mujko samjho dil peh mat lo
Don't wanna see another
Tear in your eye
Baby break away let him go
I don't know he's done to you
But i know it's time to move on.
