---

Tere nakhre jawani wale bhaare sohniye  
Pichhe laye laye ki kaware sohniye  
Vaare vaare jaavan tere hasseya ton  
Jaave bacheyan na naina waale jhakkeya ton

Saukha hatth na phadhare pari laareyan di  
Jiddi ankhan nu na load mascare'aa di  
Jaan kadd li tu kudiye vichareya di  
Assi bina gall'on aivein nahi'o dil hari ae

Kariye vi dass hun ki kariye  
Tere ishq 'ch tarriye ya dubb mariye  
Ladhiye vi dass kihde naal ladhiye  
Sadde doha vichkar teri chup khadi ae

Ho kariye vi dass hun ki kariye  
Tere ishq 'ch tarriye ya dubb mariye  
Pariye ni dass hun ki kariye

Mohabat'an de vich kuchh bhalla hundiya  
Paaniyan de vich jivein chhalla hundiya  
Ankhan diya namza samajh sohneya  
Kudiya ton bolke na gallan hundiya

Ho injh lagge din'ae koi khwab aayi janda ae  
Sohni laggi jandi'ae swaad aayi janda'ae  
Gall karni ae tere nakk aale koke naal  
Raula teri thoddi wala til paayi janda'ae

Matthe utton zulfa hataun da ki layengi  
Tere ho jaiye saddi ban ke tu rahengi  
Assi kade aakhi'ae je kali kitte mil  
Tu mainu dass kitte na taan ni kahengi

Haan kar dil tere naa' kariye  
Hikk naal laake rakha phull jhadiye  
Kariye vi das hun ki kariye  
Tere ishq 'ch tarriye ya dubb mariye

Ho ladhiye vi das kihde naal ladhiye  
Saade doha vichkar teri chup khadi ae  
Kariye vi das hun ki kariye  
Tere ishq 'ch tarriye ya dubb mariye

Je main suit paavaan dass chitta sohna laggu ke ni  
Doha'n da naa' locket 'ch katha sohna laggu ke ni  
Ankhan diya namza samajh sohneya  
Tattoo vinni te karaan lava je sadda sohna laggu ke ni

What do we do  
Tell me what do we do  
What do we do about this  
Tell me what we do about this  
Tell me what do we do  
What do we do about this baby

Tell me what we do about this  
Tell me why you do like this  
Why you gotta love like this  
When you love like this  
Tell me what we do about this
