

Oooo hoo..yeah yeahh ohhh..  
Ohhhoooo...yeah yeah yeah..  
Wohhooo...

Love love love  
Love love, love love, love love  
Lete hai sab pyaar ka bade pyaar se naam,  
Humne aisa kya kiya jo hue badnaam?  
Pyaar to bass pyaar hota hai, jisse bhi karo,  
Yeh dil kispe aaya hai khul ke tum kaho..

It's up dude, it's down  
Dude, love love love,  
Are you in dude, are you  
Out dude, love love love,  
Me out dude, be proud dude,  
Lets burn the dance it down dude,  
It's love love love,  
Its love love love..common!

Pyaar to hai majhnoo,  
Sab isse manzoor,  
Dil naa maane aur koi duniya ka dastoor,  
Tanha reh kart um naa do,  
Zindagi ko saza, yeahhh  
Jeene ko kyu chahiye har kisi ki razaa,  
It's up dude, it's down  
Dude, love love love,  
Are you in dude,  
Are you out dude, love love love,  
Me out dude, be proud dude,  
Lets burn the dance it down dude,  
Its love love love, its love  
Love love..love love love..  
Its love love love..

Naa karo tum intezaar, pyaar aane do,  
Khud pe rakkho aitbaar, baaki jaane do,

Out dude, love love love,  
Me out dude, be proud dude,  
Lets burn the dance it down dude,  
Its love love love, its love  
Love love..love love love..
