

Love me babby love me, love me babby
Love me babby love me, love me
Love me babby love me, love me babby
Love me babby love me, love me

Love me o love me baby,
Paas paas aa jaayein
Lets rocks da party baby,
Thode naughty ho jaayein
Love me o love me baby,
Paas paas aa jaayein
Lets rocks da party baby,
Thode naughty ho jaayein
Khushnuma hai manjar manjar,
Saamane hai dilbar, tu soche kya
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru

Houle houle rojaana,
Dole dil yeh deewaana
Aake mujhase meri raatein churaana
Thodi bekarari hai, thodi si khumaari hai

Abb toh na chalega koi bahaana
Touch me now honey now,
Kaise kya when n how tu soche kya
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru
Love me babby love me, love me babby
Love me babby love me, love me

Chhaaye ek nasha chhaaye,
Jaaye pal yeh na jaaye
Haaye bereham yeh dil ka lagaana
Dhadake dil yeh joro se,
Bhadake shole jismo se
Tadpe meri baahein,
Abb aa bhi jana

Masti hai hai mauka,
Maar le tu chauka, tu soche kya
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru
Love me o love me baby,
Paas paas aa jaayein
Lets rocks da party baby,
Thode naughty ho jaayein
Khushnuma hai manjar manjar,
Saamane hai dilbar, tu soche kya
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru
Tu tu turu, ho ja shuru.
