

Ho o o ho

Ho o o ho

Shayaron se lafz
Leke todhe se udhaar
Bolana yeh chahata
Hoon dil se tumko yaar
Ho raha tha ho gaya
Hai halka sa khumar
Koi naa raha hai
Dil pe apne zor
Love me thoda aur
Love me thoda aur

Love me thoda aur
Thoda aur

Ho o o ho

Ho o o ho

Teri baaton ki pyaari si
Mithi se khushboo mein leke
Saath mein muskuraata sa
Neendon se khwabon se
Milta hoon main to raat mein
Yeh adaa hai nai yeh adaa aa gai
Tu jo mila kabhi na kiya tha
Khud pe itna gaur

Love me thoda aur
Love me thoda aur
Love me thoda aur
Love me thoda aur

Tum ho ya na ho
Lagta hai jaise ki ab tum hi to ho
Har ghadi milta tumse hoon
Jitna main utni hi
Milne ki wajah hai badhi
Milne ki koshishein
Pyaar ki khwahishein hoti rahein

Tujhe dekh ke hain
Saansein karti shor

Love me thoda aur
Love me thoda aur
Love me thoda aur
Ho o o ho.
