

Love Lyrics

Thanimai en thanimai
Un uravai theda
Oru inimai inai sera
Enai neeye sooda

Iru manangalin sabtham
Idhazh malargalin yudham
Mul meesaiyum urasum
En idai madippinil madalaaguthe

Payanam thodanguthu inge
Jenmangal ezhu
Thodarnthidum maayangale

Kalam unnaal dhaane

Thanimai en thanimai

Oru inimai inai sera

Konji vantha silir kaalame
Nenjukkulae anal thedume
Vanthanaikkum un moochu
Sallaabam aada

Neerodai odidum paadhaiye
Ennai alliththan povaye
Sorgathin vaasalai thediye
Pudhu paadhai pottaye

Maru jenmathin
Kalaththai kalavadinen
Indha jenmam thodaraghave

Kadhal thantha vidhai dhaane

Poo madiyil payiragume
Sammathathil vizhi mooda
Swasam ondraga

Vaanavil sindhidum vannangal
Pala pookalil ondragum
Vennila medaiyil pandhalgal

Nam iravai ondraakkum
Ini kanavum aanandham
Nijamaai pogudhe
Nam bandham varamanathe

Thanimai en thanimai
