

Agar koi mujhse yeh poochhe  
Kya?  
Main kyon bechain rehta hoon  
Kyon?  
Meri is beqaraari ki vaja kya hai, bata doon kya  
Kya?

Teri adaaon pe marta hoon  
Teri adaaon pe marta hoon  
Love tujhe love main karta hoon  
Teri adaaon pe marta hoon  
Love tujhe love main karta hoon

Tujhse bichhadne se darri hoon  
Tujhse bichhadne se darri hoon  
Love tujhe love main karti hoon

Teri adaaon pe marta hoon  
Love tujhe love main karta hoon  
Teri adaaon pe marta hoon

Love tujhe love main karta hoon  
Zara paas aa, mujhe kuch kehna hai  
Zara paas aa, mujhe kuch kehna hai  
Door nahin ek pal rehna hai

Dekho mere itne kareeb na aao  
Darr lagta hai, na haath lagao

Hmm, main hoon tera, tu hai meri  
Mujhse bhi kya darra  
Chhodo tum zid karna, zid karna  
Tujhe dekhke aahein bharta hoon  
Tujhe dekhke aahein bharta hoon  
Love tujhe love main karta hoon  
Teri adaaon pe marta hoon  
Love tujhe love main karta hoon  
Teri adaaon pe marta hoon  
Love tujhe love main karta hoon

Jab mujhe chhodke tu jaata hai

Jab mujhe chhodke tu jaata hai  
Sach kehti hoon, rona aata hai  
Ishq mein aksar yeh hota hai  
Pyaar jo karta hai rota hai

Chaaht ke saare gham seh loongi  
Chhodoongi duniya ko  
Tere dil mein reh loongi, reh loongi  
Tere liye sajti sanwarti hoon  
Tere liye sajti sanwarti hoon  
Love tujhe love main karti hoon

Teri adaaon pe marta hoon  
Love tujhe love main karta hoon  
Teri adaaon pe marta hoon  
Love tujhe love main karta hoon  
Tujhse bichhadne se darri hoon  
Tujhse bichhadne se darri hoon  
Love tujhe love main karti hoon

Teri adaaon pe marta hoon  
Love tujhe love main karta hoon  
Teri adaaon pe marta hoon  
Love tujhe love main karta hoon.
