

Hawa chal padi gata chha gayee
Nazar mil gayee kali khil gayee
Gazab ho gaya jiyaa kho gaya
Are ho gaya are ho gaya
Are ho gaya are ho gaya
Yeh kaise ho jaata hai
Yeh na jaane kab ho jaata hai
Yeh sab ko ho jaata hai
Humko bhi yeh pyaar ho gaya
Aankhon mein bas jaa
Mere dil mein samajaa
Love you hamesha
Meri baahon mein aaja
Yeh kaise ho jaata hai
Yeh na jaane kab ho jaata hai
Yeh sab ko ho jaata hai
Humko bhi yeh pyaar ho gaya

Saahibaan ri saahibaan ri
Dhola ri dhola ri
Sayonee aaj ghoonghat kholiyon ri
Saahibaan ri saahibaan ri
Dhola ri dhola ri
Sachon hai pyaar jooth boliyon ri

Gata chha gayee nazar
Mil gayee kali khil gayee
Gazab ho gaya jiyaa kho gaya
Are ho gaya

Ek jhatka laga hai
Dil aise mera dhadka
Dil aise mera dhadka
Behke paani mein
Dekho shola koyi bhadka
Haan shola koyi bhadka
Pehle gaya yeh dil

Ab jaan bhi jaayengi
Naa chain aayenga naa neend aayengi

Saare shaher mein
Ruswaayeeyaan ho jaayegi
Badnaam meri angdaaiyaan ho jaayegi
Jabse mili hai tere mere naina
Tabse main jaagi saari saari raina
Aankhon mein bas jaa
Mere dil mein samajaa
Love you hamesha
Meri baahon mein aaja
Yeh kaise ho jaata hai
Yeh na jaane kab ho jaata hai
Yeh sab ko ho jaata hai
Humko bhi yeh pyaar ho gaya
Aankhon mein bas jaa
Mere dil mein samajaa
Love you hamesha
Meri baahon mein aaja

Gata chha gayee
Nazar mil gayee kali khil gayee
Gazab ho gaya jiyaa kho gaya
Are ho gaya

Chhupke chhupake
Aadhi raat ko main jaagi
Aadhi raat ko main jaagi
Ghar se nikalna
Yeh tere sang bhaagi
Tere sang bhaagi
Naa darr kisi se
Tujhe seene se laga loonga
Dekhe na koyi tujhe
Aankhon mein chhupa loonga
Jaa mere raja baaja saath leke aaja na
Le jaa mujhe baaraat leke aaja na
Kya band baaja aur kaise baarati
Main aur tu hum hai
Baby janmon ke saathi
Aankhon mein bas jaa
Mere dil mein samajaa
